- Location**

The Maltstone Pub & Kitchen, Kidderminster Road, Cutnall Green,

---

  - Overview**

The Maltstone is keen to provide a space for art of many types in Droitwich. They would like paintings, collage and photography – in fact anything that can be securely hung and look good in a quality environment.

The pub is particularly is a smart venue building a reputation for good food.

---

  - Exhibitions**

Agreement on exhibitions:

    - 10 hooks are provided for the hanging of pictures.
    - Work is displayed at owner’s risk. The pub is locked overnight.
    - Artwork will be changed on a four weekly basis - [see below](#)
    - Art work must be tasteful so as to fit in with a restaurant environment.
    - The owners would ideally like art work to be related (but not necessarily restricted) to the local area..
    - The owners would like more than one artist to exhibit at a time, to provide variety.
    - There is a wall which would suit a single large piece (say 100cm wide).

**It is strongly recommended that artists visit the venue in advance to understand the space and explain their exhibition plans to the management.**

**Note: Space for work is generous; pictures of less than A3 size will look too small. It is recommended that smaller pictures are put together to hang from the one hook (by means of a larger frame, backing board or whatever else might work).**

---

  - Set-up/ take down**

Change-over should avoid business times – ideally from 15:15 to 15:45 on a Tuesday.

---

  - Hanging**

The hooks will be provided. All work should be robustly prepared for hanging, in a frame or being structurally strong. See the schematic overleaf for siting of up to 10 pictures.

Pictures will look better when hung if the hooks are attached near the top of the work.

---

  - Sales**

Artwork may be offered for sale.

    - Information about the artwork should be displayed giving potential customers details of a suitable contact if a customer wishes to make a purchase. Work that is not for sale should be clearly identified. Two copies should be provided (ideally in a frame) to be hung on hooks at the points marked with an “S” overleaf.
    - Sales should be agreed between the purchaser and the artist – The Maltstone will not be involved in sales.
    - If a work is to be removed, it should be replaced with a work of equal quality.

---

  - Charges**

The following charges apply

    - There is no fee to display, but hanging is available only for paid up DAN members (or members of paid-up groups).
    - Any sales will attract a commission rate of 5% payable to the Maltstone.

---

  - Additional information**

The Maltstone will display DAN posters advertising specific events.

---

  - Contacts**

Contacts at the Maltstone are Daniel Jones & Daniel Bridgewater, 01299 851600.
